Dear Colleague,

We are excited to present The Great Debates: Controversies in Medicine, on October 3 – 5, 2008! Bringing together national and local experts, the Arizona Chapter will debate topics that include the future of the American health care system, the use of opiates in treating fibromyalgia, the aggressive management of lipids, and much more. Guest speakers for this event include former House Speaker **Newt Gingrich** (appearing by video feed), **Robert Egge** of The Center for Health Transformation, **Oliver Fein, MD**, President-Elect of the National Physicians for a National Health Plan, and **Edward Goldman, MD**, CEO and co-founder of MDVIP.

We are also honored to host **Faith Fitzgerald, MD, MACP**, and ACP College Regent. Dr. Fitzgerald will address the Chapter several times, delivering her popular “Magical Mystery Tour” at the Governor's Dinner on Friday night, October 3, and “The Perils of Prevention: The Downside of Staying Healthy” at lunch on Saturday, October 4.

Three pre-course tracks are offered, including four ABIM recertification modules, three clinical skills procedures for the general internist, and a full-day sports medicine track for the primary care physician.

We encourage you to bring your nonmember colleagues to the meeting. Nonmembers who join the Chapter at the meeting will receive a reduction in their membership dues for the first year.

Visit the Chapter Web site to register online at [www.acponline.org/chapters/az](http://www.acponline.org/chapters/az).

We look forward to seeing you in Tempe.

Sincerely,

**Paul F. Howard, MD, FACP, FACR**  
Governor, ACP Arizona Chapter

**Allan L. Markus, MD, MBA, FACP**  
Program Chair, ACP Arizona Chapter

P.S. Between scientific sessions, please visit the College table. You will find information on new ACP programs, products, and service. *There's always something new at the College table—stop by and see for yourself.*

## SEP Learning Objectives

To help internists complete an American Board of Internal Medicine (ABIM) self-evaluation process (SEP) module, to fulfill ABIM requirements toward recertification in internal medicine.

## Who Should Attend the SEP Course?

- General internists
- Subspecialty internists
- Family practitioners

## SEP CME Accreditation

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this educational activity for a maximum of **8 AMA PRA Category 1 Credit(s)**<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

## SEP Note

The Arizona Chapter will provide you with a “Learner’s Copy” of the ABIM SEP Modules at the meeting. If you are enrolled in the ABIM’s Maintenance of Certification (MOC) program, you must also order an “Official” copy of the SEP module directly from ABIM by visiting [www.abim.org/online](http://www.abim.org/online) or calling **800-441-2246, ext. 3598\***. The official version of the module will provide you with a CD-ROM containing a printable electronic version of the knowledge module. You may order this CD-ROM before or after attending the Arizona Chapter meeting.

After the learning session, you **have 30 days to submit your answers to ABIM for MOC credit**, via the Internet, by using your official CD-ROM version. For more information about ABIM’S Maintenance of Certification Program, visit [www.abim.org/moc](http://www.abim.org/moc).

\*If you are already enrolled in the ABIM MOC program, there is no additional fee for this Official version of the module. If you are not enrolled in the ABIM MOC Program, you may attend the learning session; however, you must enroll in the MOC Program prior to receiving MOC credit for the knowledge module. To enroll in the MOC Program, call **800-441-2246 ext. 3598**. Please see the registration page of this brochure for the Arizona Chapter’s fees for attending this session. These fees are separate to the ABIM’s fees, and must be paid regardless of whether you are enrolled in the MOC program.
