SYMPOSIUM EDUCATIONAL OBJECTIVES

1. To review the updated guidelines for treatment of dyslipidemia.
2. Differentiate the risks and benefits of drug eluting stents.
3. Be familiar with new percutaneous mitral valve repair techniques.
4. Determine the workup of the CHF patient and know when to refer for EP evaluation.
5. Distinguish the measures used to prevent and treat contrast induced nephropathy.
6. Recognize the current approaches to the unstable angina patient.
7. Discuss cardiac surgical techniques utilizing robotic technology.
8. Describe the role of hormone replacement therapy in the postmenopausal female.
9. Employ new concepts of cardiocerebral resuscitation.

INFORMATION

ARIZONA BILTMORE RESORT
2400 E. Missouri
Phoenix, Arizona 85016
602-955-6600/800-950-0086
www.arizonabiltmore.com

The Arizona Biltmore Resort was named "The Jewel of the Desert" on its Grand Opening on February 23, 1929. Renowned for exceptional service, the Arizona Biltmore was the setting for many Hollywood movies. A Frank Lloyd Wright-influenced design, the Arizona Biltmore is a stylish retreat wrapped in history. The Arizona Biltmore combines nature, landscaping, architecture and fine art into a magnificent resort. The Arizona Biltmore provides guests with the most stunning Championship Golf Course, Clubhouse and Pro Shop. Enjoy the Tennis Garden with secluded courts or the eight spectacular pools and waterslide. Dine in any of the restaurants and lounges and experience each restaurant chef's signature cuisine.

Reservations for hotel rooms should be made through the Concorde Travel Web site: www.concordetm.com.
